A close-up, low-angle shot of a person's legs and feet. They are wearing dark, possibly black, trousers and dark brown leather lace-up shoes. The shoes have a classic oxford design with a cap toe and a low heel. The person is standing on a light-colored wooden floor with a visible grain. The lighting is soft and directional, coming from the side, creating subtle highlights on the leather of the shoes and the fabric of the trousers. The background is slightly out of focus, showing what appears to be a wooden bench or chair.
